- 2) Subsections 8.6.10 and 9.6.18 are amended by replacing them with the following:
- a) Animals shall not be pastured within 15.24 metres (50 feet) of any dwelling or well not owned by the owner of the animals.
 - b) Manure shall be removed and responsibly discarded or composted on a regular basis.
 - c) Disposal of deceased animals shall be done in accordance with Ministry of Agriculture regulations.
 - d) Vacant lots cannot be pastured without council approval.
 - e) Prior to acquiring animals, it is recommended that interested individuals consult with their neighbours to identify and address any potential issues or conflicts.

- 3) The following shall be added as Subsections 8.6.11 and 9.6.19:

The keeping of poultry shall be permitted in accordance with the following conditions:

- a) The site and coop shall be properly secured and maintained so as to deter predators and to limit excessive smells or noise.
 - b) The sale of eggs on-site shall not be permitted without an application and approval for home-based business.
 - c) All hens shall remain in the coop or an enclosed and secured run at all times.
 - d) Chicken coops shall be located in the rear yard of a property.
 - e) No coops or runs shall be located within 15.24 metres (50 feet) of an adjacent dwelling or property line.
- 4) This bylaw shall come into force and take effect when approved by the Minister of Government Relations.
