

WINTER WEIGHT SEASON RESTRICTIONS

Sixth Order – Fall 2020

Minister's Order Pursuant to section 35 of *The Highways and Transportation Act, 1997*, *The Vehicle Weight and Dimension Regulations, 2010*, permit heavier weights on public highways during the Winter Weight Season.

The Winter Weight Season is defined in s. 2 (ggg) of the regulations as commencing on November 16 of each year and ending on March 14 of the following year.

Section 2(2) of the regulations states that if the Minister considers it necessary to protect a public highway, the Minister may issue an order under section 35 of the Act restricting the Winter Weight Season for the highways mentioned in the order for the period specified in the order.

Pursuant to section 35 of "*The Highways and Transportation Act, 1997*" it is hereby ordered that the winter weight season is postponed until further notice for all highways unless varied or rescinded is hereby ordered effective **Friday, 12:01 am December 11, 2020**.

Please note that some provincial highways and bridges are subject to special reduced or restricted weights and some are for specific periods of the year, some for precise temperatures. A detailed description of these special restrictions is listed on the last four pages of this Order.

Signed on behalf of the Minister this 8th day of **December, 2020**.

Highways subject to special year round restrictions are signed accordingly. Alternate haul routes (at secondary highway weights) are in place on municipal gravel roads at these locations and are clearly signed.

For detailed information on Rural Roads, call the local rural municipality or for Provincial Highway information call the Highway Hotline at 306-933-5655. The rural municipality administers and maintains the alternate haul routes. They are also responsible for issuing any overweight permits associated with the alternate haul routes.

Saskatchewan Ministry of Highways and Infrastructure provides highway restriction information through recorded Road Information. To access this system, call any of the Provincial Highway Hotline numbers listed below

These orders are also published on the Internet at: <http://www.saskatchewan.ca/truckingweights> under **Special Weights**.

Rural Municipalities are responsible for all municipal roads and may issue over weight permits within their municipality. They may also set weight restrictions lower than those published for Saskatchewan highways. Contact the municipality directly, as not all participate in the spring weight restriction program

The Clearing the Path Roads that are found within the Rural Municipalities are also subject to Spring Road Restrictions. Contact the municipality directly for weight information on these roads.
